

PUBLIC NOTICE

As of 5:45 p.m. on Friday, May 29, 2020, Ventana received notification that a third associate of the community tested positive for COVID-19. This is in addition to the first two associates whose positive test results were received on May 27.

This public notice serves as an official statement from Buckner Retirement Services in compliance with protocols laid out by Buckner to mitigate risk to residents and staff and in compliance with current orders issued by local government. Posting of the notice occurred within 30 minutes after receipt of the positive test results, and a copy of this notice was sent to the local county health and human services department.

Our Isolation Procedures for asymptomatic or symptomatic diagnosed cases, along with those which are presumptive, are in accordance with the CDC. These procedures have been implemented specific and will continue until Discontinuation of Transmission-Based Precautions are met per the CDC.

Contact tracing is helping identify those who came into contact with the positive associates, so they can follow CDC guidelines. The third associate was identified as a result of contract tracing procedures from the other two associates.

All areas where the associates worked or may have visited will be sanitized.

In addition to this public notice, all available information is being disseminated directly to residents and their authorized emergency contacts, as well as staff and local health officials. If you have questions, please call Ventana at 855-754-3338. **More information about our coronavirus response is also available at [BucknerRetirement.org](https://www.bucknerretirement.org).**
