Baptist Retirement Community Coronavirus

The team at Baptist Retirement Community and Buckner Retirement Services is working diligently to keep residents and family members informed of all possible cases of coronavirus at our community. Transparency and communication are two of our greatest weapons, and we will continue to update this page on Persons Under Investigations and test results.

Understanding CDC designations for people displaying coronavirus symptoms:

1. **Person Under Investigation (PUI):** Any person who is under investigation for having the virus that causes COVID-19, or who was under investigation but tested negative for the virus.
2. **Laboratory-confirmed case of COVID-19:** Any individual who has tested positive for the virus that causes COVID-19 in at least one respiratory specimen.
