

## Baptist Retirement Community Coronavirus Response Page

The team at Baptist Retirement Community and Buckner Retirement Services is working diligently to keep residents and family members informed of all possible cases of coronavirus at our community. Transparency and communication are two of our greatest weapons, and we will continue to update this page on Persons Under Investigations and test results.

Understanding CDC designations for people displaying coronavirus symptoms:

2. **Laboratory-confirmed case of COVID-19:** Any individual who has tested positive for the virus that causes COVID-19 in at least one respiratory specimen.
